lots croises.

A crossword puzzle grid is shown. The grid consists of 10 squares arranged in a cross shape. The horizontal row has 5 squares, and the vertical column has 5 squares. The intersection is at the second square from the left and the second square from the bottom. To the left of the grid, there is an illustration of an olive branch with two green leaves and a single black olive. A blue arrow points from the olive branch to the first square of the horizontal row. Above the grid, there is an illustration of a blue and red bicycle with a basket of flowers. A blue arrow points from the bicycle to the second square of the vertical column. To the right of the grid, there is a green oval with a blue arrow pointing down to the top square of the vertical column.
